NOVEMBER NEWS

From the Director's Desk:

Dear Training Depot Parents,

Training Depot is partnering with NCA to celebrate Madison Davis Day!

Madison Davis, sister of our own Jordan Davis and daughter of NCA teacher Mrs. Christy Davis, started attending Training Depot when she was two years old. At the age of four she was diagnosed with Rhabdomyosarcoma--cancer of the muscle. She began treatment and responded very well. She was able to start Kindergarten at NCA while in remission. During Kindergarten, Mrs. Slaughter was her teacher and that is the year Madison accepted Christ. During the first month of Kindergarten, her cancer returned. She fought hard, attended school, church, and even played T-ball during her fight with cancer. She responded very well again and was declared in remission again by the end of her Kindergarten year. She entered her 1st grade year at NCA and by the second week of school she had to fight against the cancer once again. She still stayed in school and fought hard until the end. Madison went to her heavenly home on November 29, 2010.

Madison's fight, willingness, attitude, and love for God has left a huge impact on others.

The TD & NCA school board proclaimed in 2009 that the third Friday of November will be named an annual celebration of Madison Davis Day. Training Depot is partnering with NCA to honor Madison Davis by selling Madison Davis t-shirts with the TD logo; all proceeds collected go to help families that are dealing with cancer. The shirts will be similar to the picture at the top of this note, but with the TD logo. Let's show out for Madison Davis and honor her life through this week.

These shirts can be worn any day of the week but we are having a special "Madison Davis Day" on Tuesday, November 17. It would be awesome to see our kiddos & teachers alike all decked out in Madison Day shirts in honor of her memory and our sweet Jordan who dearly loved her sister! You can purchase your shirt by clicking on this link: https://payit.nelnet.net/form/epuSz63T . The sale ends next Thursday, November 5. T-shirt sizes range from 2T toddlers through youth, and adult sizes up to 4XL. See me if you have any questions.

Blessings,

Ms. Renae

Chapel Notes

Each week I like to let you know the bible verse that your child is learning for this week and next week. Each classroom has BLUE tickets for bible verse memory. Children can earn a red ticket for behavior as well as a blue ticket for memorizing their bible verse each week. When you pick up your child, if they have a blue ticket, please take some time that week to stop by my office and let them share their bible memory with me or our office staff as well as choose a prize! This is a great way to help them hide God's word in their hearts at a young age! See your child's teacher or one of our office staff if you have any questions!
