

The title of today's sermon is _____

God glorifies himself by saving his people through mighty acts of power.

God's power is _____ through humble vessels

The people of God must always learn not to _____ things the way the world sees them.

God works through us, even though we feel weak and not special, because it shows how

_____ he is.

In Jesus we see God bringing salvation in a form that nobody expected – the form of a

_____.

God's power is _____ by stubborn hearts

Pharaoh is an example that teaches us that even with plenty of _____,

people will still reject God. The problem is deeper than our minds – the problem is in our

_____.

God's power is _____ towards a greater purpose

With each mighty act, Scripture reminds us that God is doing this in order to _____

his people.

The rescue of God's people also has a _____ purpose – their salvation will

give God _____ among the nations, showing how powerful and loving he is.

God shows how great he is by using his power to save his people.

Name: _____

Exodus 6:28-7:24
