The title of today's sermon is \_\_\_\_\_

God delivers his people from every threat and danger.

**God Delivers His People From \_\_\_\_\_**

God's punishment of Egypt in the last plague shows us how God punishes \_\_\_\_\_ people for their sin.

The greatest danger anyone ever faces is the \_\_\_\_\_ judgment of God on sin.

God still punishes sin even while saving his people - by the \_\_\_\_\_ of his own firstborn \_\_\_\_\_.

**God Delivers His People From \_\_\_\_\_**

God delivers us from serving sin not so that we can serve \_\_\_\_\_, but so that we can now serve him.

You were made to find \_\_\_\_\_ in serving God. You were made to \_\_\_\_\_ him.

Jesus saves you so that you can be what you were always \_\_\_\_\_ to be.

**God Delivers His People From \_\_\_\_\_**

God has the \_\_\_\_\_ to make sure his children have everything they need.

God's design for his people is that they may enjoy abundance in his \_\_\_\_\_.

God delivers his people from every threat and danger.
