A _____ that can't be destroyed

If the Lord protects us from the _____ possible thing, we can trust that the Lord will protect us through _____ we go through, now or in the future.

We sometimes struggle with God's protection because we confuse protection with _____. God doesn't always make our troubles go away, He is our protection in the _____ of them.

A _____ that can't be diminished

God's presence will one day _____ the earth with life and _____ that cannot be diminished. God's presence does not mean we don't experience _____, it means those hardships do not _____ our joy.

How is God with us? Through the _____ which is with every believer.

A _____ that can't be denied

This psalm is about how God is able to take His people to Zion because He has _____ his enemies.

Though people treat us as their _____, our fight is not against human forces, but _____ ones, a fight that has already been won.

Even in the most difficult times, God's people can live at peace because God is with us in Christ.

Name: _____

The Peace God Secures
