We Are a _____ Who Thirst

Being thirsty means you are _____ something, and you can't _____ without it.

Everyone is thirsty for something deep and _____. Your thirst is to be _____ to God, and that's why nothing else can truly _____ us.

The reason we don't have what we are thirsty for is because of a deep problem in _____ – the problem of _____. And Jesus is here to fix that.

He Is a _____ Who Satisfies

What makes Jesus different from anyone else who promises they know how to satisfy our thirst is this: He doesn't say he can _____ us what we need. He says he _____ what we need.

If you trust Jesus Christ to save you and you seek to follow him, you have the _____ in your life. Always.

One of the Holy Spirit's main works in your life is to remind you of God's ways and to keep you in them, to _____ you the truth and help you _____ the truth. And that is how we have true _____.

Jesus satisfies the deep thirst in our lives by giving us his Holy Spirit.
