Seminar Speakers

Mrs. Mina Oglesby

Mina was saved in April, 1975, after hearing a clear presentation of the gospel for the very first time. Within weeks of her conversion, she surrendered her life completely to the Lord, not knowing that within three years He would give her the ability to compose gospel songs, and that within five years He would open doors for what would become a far-reaching ministry to women in local Baptist churches across the United States.

Dr. Linda Norrell

Dr. Norrell has been a family physician in the Flint area since 1979. She was saved while she was a medical student at the University of Michigan - Ann Arbor. She has been married to Dr. Jeff Norrell (PhD in Church History) since 1975, and they have two daughters, Diana and Andrea. She currently serves the Lord at Calvary Baptist Church of Gaines, Michigan, and has been speaking to ladies groups since 1982 on topics covering many medical and spiritual areas of life. She seems to be known best for her practical approach and sense of humor.

Mrs. Diana Harney

Diana Harney has a passion for investing in the next generation. She has been a counselor and youth pastor's wife and is currently the elementary music teacher at Genesee Christian School. Diana is married to Josh Harney and is the mom of two precocious boys, Braden and Ryan. Her desire is to see young people being molded into the image of Christ and "getting out of their box" to serve others.
