James 2:14-26

Mission: Faith Working Through Love, Reflection/Anticipation

- Think about this past week.
 - Where did you see love coming from faith?
 - Where did someone's believing become a loving doing?
- Think about the coming week.
 - Where are you going to be tempted to a doing void of loving?
 - How does Gospel reflection on Jesus' work for you change that?
 - What circumstance will drain you this week so much that you need to schedule some Gospel Re-fueling before you do anything else?
