

Sermon Reflection: Js 4:1-12 Relationships – Satisfaction (10 min)

What's missing here

How prevalent is strife in your life?

How does comparing, criticizing and complaining change relationships?

How is our comparing, criticizing and complaining an indictment of God's sufficiency?

Jesus is enough

What is it you truly want the most? Have you asked Jesus for it?

Joy, Contentment and Love – How is life in Christ different?

What emptiness do you need Jesus to fill?

What idols do you need to hand over for him to destroy?
