

Sermon Reflection: (10 min)

Introduction: Wealth – Making the untalkable, talk-able.

- Why is greed, like racism, a sin that others see but we don't feel in us?

God's Total Ownership

- What is easy for you to think God owns? What is difficult for you to remember God owns?
- How does the brevity of your life help you obey? How does presumption cause sloth?

Prideful Delusions – Delusion – a fixed false belief

- What is delusion, a fixed false belief, you have about your stuff?
- Where has God gifted you that you think more highly of yourself than you should?
- How can you use your wealth in talent, treasure or time as a tool to help others?

Hopeful Redemption - What is your life? What is it that makes you valuable?

- God bid Jesus to establish your worth to Him forever.
 - How can you enjoy that today?
 - How have you sinned against God by believing you are trash?
 - How can you honor God more by loving being YOU?
