

Get Acquainted: Icebreaker, Against Design

What is something or someone that you have given a poor review but you were actually evaluating it without regard for its original design?

- Tim Rice's examples:
 - After using a wrench as a hammer, concluding it is a bad wrench.
 - Lawn mower as a car
- Possible examples:
 - Employment – great person wrong task becomes sorry person due to poor performance.
 - Skill or Talent – someone has that I conclude they have more value or worth than someone else or me
