Walking around these walls
I thought by now they'd fall
But You have never failed me yet
Waiting for change to come
Knowing the battle's won
For You have never failed me yet

Your promise still stands Great is Your faithfulness, faithfulness I'm still in Your hands This is my confidence, You've never failed me yet

I know the night won't last Your Word will come to pass My heart will sing Your praise again Jesus, You're still enough Keep me within Your love My heart will sing Your praise again

Your promise still stands Great is Your faithfulness, faithfulness I'm still in Your hands This is my confidence, You never failed

Your promise still stands Great is Your faithfulness, faithfulness I'm still in Your hands This is my confidence, You never failed me yet I've seen You move, come move the mountains And I believe, I'll see You do it again You made a way, where there was no way And I believe, I'll see You do it again

I've seen You move, come move the mountains And I believe, I'll see You do it again You made a way, where there was no way And I believe, I'll see You do it again

I've seen You move, come move the mountains And I believe, I'll see You do it again You made a way, where there was no way And I believe, I'll see You do it again

I'll see You do it again Oh-oh

Your promise still stands Great is Your faithfulness, faithfulness I'm still in Your hands This is my confidence, You never failed

Your promise still stands Great is Your faithfulness, faithfulness I'm still in Your hands This is my confidence, You never failed me yet

And You never failed me yet I never will forget You never failed me yet And I never will forget
