**Title: The History of Redemption**

**Teacher: Trinity "F.R.A.T." Student Ministry**

*The Student ministry did a beautiful job retelling the story of God's redemption of his people through His word using "The History of Redemption." What more profound way could we retell the history of God's redemption than with scripture? Interweaving all the different parts of the Bible, we were taken through the story of God's Creation, man's Rebellion and Fall, God's work to Redeem his world and his people, and the future hope of God Restoring and "making all things new." While watching and listening I realized that I had lost sight of the beauty of the gospel and couldn't help but cry as I was reminded of God's great love, Jesus' work to save, and the future hope we live for.*

## **Surrender through Prayer:**
