In Christ alone my hope is found He is my light my strength my song  
This Cornerstone this solid ground firm through the fiercest drought and storm  
What heights of love what depths of peace when fears are stilled when strivings cease  
My Comforter my All in All here in the love of Christ I stand

In Christ alone Who took on flesh fullness of God in helpless Babe  
This gift of love and righteousness scorned by the ones He came to save  
Till on that cross as Jesus died the wrath of God was satisfied  
For every sin on Him was laid here in the death of Christ I live

There in the ground His body lay Light of the world by darkness slain  
Then bursting forth in glorious day up from the grave He rose again  
And as He stands in victory sin's curse has lost its grip on me  
For I am His and He is mine bought with the precious blood of Christ

No guilt in life no fear in death this is the power of Christ in me  
From life's first cry to final breath Jesus commands my destiny  
No power of hell no scheme of man can ever pluck me from His hand  
Till He returns or calls me home here in the power of Christ I'll stand

No power of hell no scheme of man can ever pluck me from His hand  
Till He returns or calls me home here in the power of Christ I'll stand

Here in the power of Christ I'll stand

Abide with me fast falls the eventide  
The darkness deepens Lord with me abide  
When other helpers fail and comforts flee  
Help of the helpless abide with me

Thou on my head in early youth didst smile  
And though rebellious and perverse meanwhile  
Thou hast not left me though I oft left Thee  
On to the close Lord abide with me

I need Thy presence every passing hour  
What but Thy grace can foil the tempter's power?  
Who like Thyself my guide and stay can be?  
Through cloud and sunshine abide with me

I fear no foe with Thee at hand to bless  
Ills have no weight tears lose their bitterness  
Where is thy sting death? Where grave thy victory?  
I triumph still abide with me

Hold Thou Thy cross before my closing eyes  
Shine through the gloom and point me to the skies  
Heaven's morning breaks and earth's vain shadows flee  
In life in death Lord abide with me

Oh my Lord You are my Shepherd and I shall not want  
Oh my Lord beside still waters You repair my heart  
I trust in You oh I trust in You

*Even though I walk through the valley of death  
You restore my soul and You give me rest  
Oh the memories of Your faithfulness  
You restore my soul and You give me rest  
You restore my soul and You give me rest  
You give me rest*

Oh my Lord You've prepared a table for You and me  
Oh my Lord in the middle of the fire with my enemies  
I trust in You oh I trust in You

*Even though I walk through the valley of death ...*

I will fear no evil for You're here with me  
Your goodness and Your love  
They will never leave

Just a closer walk with Thee just a closer walk  
Just a closer walk with Thee just a closer walk

*Even though I walk through the valley of death ...*

You give me rest

I've been here before my heart feels so weak  
Got this weight upon my chest and  
I can't stop forgetting my God You've never left  
You're right here with me still I'm convinced You're hiding  
Oh God would You remind me

*That You're still just as good as when I met You  
You're still just as kind don't let me forget that  
You're still the same God who led me through the fire  
You're still the same God that separates the waters  
Come do what only You can do God I need You*

You've done this before will You do it again  
'Cause the waves are all around me  
And it feels like I'm drowning  
My God will You still reach down and give me Your hand  
'Cause even when I'm doubting  
You're love it still surrounds me

*That You're still just as good as when I met You ...*

And I will build an altar and stack it stone by stone  
'Cause every Ebenezer says I've never been alone  
My faith will surely falter but that don't change what You've done  
'Cause every Ebenezer points to where my help comes from  
(repeat)

*You're still just as good as when I met You ...*

I will build an altar and stack it stone by stone  
'Cause every Ebenezer says I've never been alone  
My faith will surely falter but that don't change what You've done  
'Cause every Ebenezer points to where my help comes from  
Oh every Ebenezer points to where my help comes from

I just want to speak the Name of Jesus  
Over every heart and every mind  
'Cause I know there is peace within Your presence  
I speak Jesus

I just want to speak the Name of Jesus  
'Til every dark addiction starts to break  
Declaring there is hope and there is freedom  
I speak Jesus

*Your Name is power  
Your Name is healing  
Your Name is life  
Break every stronghold  
Shine through the shadows  
Burn like a fire*

I just want to speak the Name of Jesus  
Over fear and all anxiety  
To every soul held captive by depression  
I speak Jesus

*Your Name is power ...  
Shout Jesus from the mountains  
Jesus in the streets  
Jesus in the darkness  
Over every enemy  
Jesus for my family  
I speak the holy Name Jesus  
(repeat)*

*Your Name is power ...*

I just want to speak the Name of Jesus  
Over every heart and every mind  
'Cause I know there is peace within Your presence  
I speak Jesus
