When gracious Lord when shall it be
That earth will find her all in Thee
The fulness of Thy promise prove
Seal me with Thy eternal love

Thee only Thee I'm fain to find
I cast the world and sin behind
O my Redeemer hear this plea
And let me find my all in Thee

*Show me Your way my love my Lord
Draw me to grace so strong and sure
I run to Your mercy where I am free
Let me find my all in Thee*

Lord I am blind be Thou my sight
Lord I am weak be Thou my might
A helper of the helpless be
And let me find my all in Thee

Show me Your way my love my Lord ...

Please mend my soul my frame my life
A contrite heart Thou won't despise
Take now this pain and misery
And let me find my all in Thee

*Show me Your way my love my Lord ...
(repeat)*

Grace

Your grace that leads the sinner home
From death to life forever
And sings the song of righteousness
By blood and not by merit

Your grace that reaches far and wide
To every tribe and nation
Has called my heart to enter in
The joy of Your salvation

By grace I am redeemed

By grace I am restored

And now I freely walk into the arms of Christ my Lord

Your grace that I cannot explain
Not by my earthly wisdom
The Prince of Life without a stain
Was traded for this sinner

Let praise rise up and overflow
My song resound forever
For grace will see me welcomed home
To walk beside my Saviour

By grace I am redeemed ...

You give life You are love
You bring light to the darkness
You give hope You restore every heart that is broken
And great are you Lord

*It's Your breath in our lungs
So we pour out our praise
We pour out our praise
It's Your breath in our lungs
So we pour out our praise to You only*

You give life ...

*It's Your breath ...
(repeat)*

And all the earth will shout Your praise
Our hearts will cry these bones will sing
Great are You Lord
(repeat)

*It's Your breath ...
(repeat)*

It Is Done

Failure has called me friend
Constantly condescends
Failure has called me friend

Failure has known my name
Poisoned my heart within
Failure has known my name

*The cross says that I'm not a failure
The arms show how far love would reach
The nails driven into my Savior
Are driving the fear out of me
The lies that condemned me are broken
Shackles are shattered by love
The Word of the Father has spoken
Heaven declares it is done
So it is done*

Mercy has called my name
Oh what a sweet refrain
Mercy has called my name

Guilt has a heavy hand
Shame finds a way back in
But I hear Your voice again

*The cross says that I'm not a failure
The arms show how far love would reach
The nails driven into my Savior
Are driving the fear out of me
The lies that condemned me are broken
Shackles are shattered by love
The Word of the Father has spoken
Heaven declares it is done*

So it is done
It is finished
I am forgiven
I'm not defined by the things that I've done
You're my authority
You won't abandon me
I won't deny Your love
(repeat)

The cross says that I'm not a failure ...

Christ Be Magnified

Were creation suddenly articulate
With a thousand tongues to lift one cry
Then from north to south and east to west
We'd hear Christ be magnified

Were the whole earth echoing His eminence
His name would burst from sea and sky
From rivers to the mountain tops
We'd hear Christ be magnified

*O Christ be magnified
Let His praise arise
Christ be magnified in me
O Christ be magnified
From the altar of my life
Christ be magnified in me*

When every creature finds its inmost melody
And every human heart its native cry
O then in one enraptured hymn of praise
We'll sing Christ be magnified

O Christ be magnified ...

I won't bow to idols I'll stand strong and worship You
And if it puts me in the fire I'll rejoice 'cause You're there too
I won't be formed by feelings I hold fast to what is true
If the cross brings transformation then I'll be crucified with You

'Cause death is just the doorway into resurrection life
If I join You in Your sufferings then I'll join You when You rise
And when You return in glory with all the angels and the saints
My heart will still be singing and my song will be the same

*O Christ be magnified ...
(repeat)*
