From the darkness I called Your name
Into darkness Your mercy came
You called me out lifted me up
How great is Your love

You bore my weakness You took my shame
Buried my burdens in fields of grace
You called me out lifted me up
How great is Your love

*From the heights of heaven You stepped down to earth
Innocent perfection gave your life for us
And we are amazed yes we stand in awe
For we have been changed by the power of the cross
How great how great how great is Your love
How great how great how great is Your love
How great how great how great is Your love for us*

In Your kindness You lead me home
In Your presence where I belong
You called me out lifted me up
How great is Your love

From the heights of heaven ...

There has never been
And there will never be
A God like You a love so true
(repeat)

*How great how great how great is Your love
(repeat)*

How great is Your love for us

Look at all the broken pieces all around me
Pieces deep inside my soul
I don't know what's real can't help the way I'm feeling
All I know is I'm alone

*I need a rescue I need a reckoning
From all the things I've done and have been done to me
I need revival I need recovery
I need to know that there's an answer for what's missing
'Cause something's missing
'Cause something's missing*

Turn up all the music something to amuse me
Silence is a lonely friend
If you really knew me could you really love me
Save me from this loneliness

I need a rescue ...

It's like I fell into a hole too deep to climb out
And I looked up to the sky and saw you reaching down
Reaching down

*You are the rescue You are the reckoning
From all the things I've done and have been done to me
You are revival You're my recovery
I know that You're the answer for what's missing*

*Because You love me
(repeat)*

You take what is and You make it beautiful
When love floods in we're restored forevermore

*With breath that brings the dead to life
With words that pierce the dark with light
Only by the blood are we set free
With mercy strong to carry shame and nail it to a tree
You alone hold the power to redeem*

No guilt competes with innocence crucified
No grave can hold what Your grace has justified

With breath that brings the dead to life ...

Rejoice oh child of God
Lift your eyes to see
With every morning light
Again we are redeemed
(repeat)

With breath that brings the dead to life ...

Upon A Life

Upon a life I have not lived, upon a death I did not die
Another's life Another's death I stake my whole eternity

Not the tears which I have shed not on the sorrows I have known
Another's tears Another's griefs on these I rest on these alone

*O Jesus Son of God I build on what Thy cross has done for me
There both my life and death I read
My guilt my pardon there I see
There I see*

Lord I believe O deal with me as one who has Thy Word believed
I take the gift Lord look on me as one who has Thy gift received

O Jesus Son of God ...

Upon a Life I have not lived ...

O Jesus Son of God ...

Worthy of every song we could ever sing
Worthy of all the praise we could ever bring
Worthy of every breath we could ever breathe
We live for You

Jesus the name above every other name
Jesus the only one who could ever save
Worthy of every breath we could ever breathe
We live for You
We live for You

*Holy there is no one like You
There is none beside You
Open up my eyes in wonder
And show me who You are
And fill me with Your heart
And lead me in Your love to those around me*

Jesus the name above every other name
Jesus the only one who could ever save
Worthy of every breath we could ever breathe
We live for You
We live for You

Holy there is no one like You ...

I will build my life upon Your love it is a firm foundation
I will put my trust in You alone and I will not be shaken
(repeat)

Holy there is no one like You ...
