From the darkness I called Your name
Into darkness Your mercy came
You called me out lifted me up
How great is Your love

You bore my weakness You took my shame
Buried my burdens in fields of grace
You called me out lifted me up
How great is Your love

*From the heights of heaven You stepped down to earth
Innocent perfection gave your life for us
And we are amazed yes we stand in awe
For we have been changed by the power of the cross
How great how great how great is Your love
How great how great how great is Your love
How great how great how great is Your love for us*

In Your kindness You lead me home
In Your presence where I belong
You called me out lifted me up
How great is Your love

From the heights of heaven ...

There has never been
And there will never be
A God like You a love so true
(repeat)

*How great how great how great is Your love
(repeat)*

How great is Your love for us

Abide With Me

Abide with me fast falls the eventide
The darkness deepens Lord with me abide
When other helpers fail and comforts flee
Help of the helpless abide with me

Thou on my head in early youth didst smile
And though rebellious and perverse meanwhile
Thou hast not left me though I oft left Thee
On to the close Lord abide with me

I need Thy presence every passing hour
What but Thy grace can foil the tempter's power?
Who like Thyself my guide and stay can be?
Through cloud and sunshine abide with me

I fear no foe with Thee at hand to bless
Ills have no weight tears lose their bitterness
Where is thy sting death? Where grave thy victory?
I triumph still abide with me

Hold Thou Thy cross before my closing eyes
Shine through the gloom and point me to the skies
Heaven's morning breaks and earth's vain shadows flee
In life in death Lord abide with me

Rescue

Look at all the broken pieces all around me
Pieces deep inside my soul
I don't know what's real can't help the way I'm feeling
All I know is I'm alone

*I need a rescue I need a reckoning
From all the things I've done and have been done to me
I need revival I need recovery
I need to know that there's an answer for what's missing
'Cause something's missing
'Cause something's missing*

Turn up all the music something to amuse me
Silence is a lonely friend
If you really knew me could you really love me
Save me from this loneliness

I need a rescue ...

It's like I fell into a hole too deep to climb out
And I looked up to the sky and saw you reaching down
Reaching down

*You are the rescue You are the reckoning
From all the things I've done and have been done to me
You are revival You're my recovery
I know that You're the answer for what's missing*

*Because You love me
(repeat)*

Overcome

Now the darkness fades into new beginnings
As we lift our eyes to a hope beyond
All creation waits with an expectation
To declare the reign of the Lord our God

*We will not be moved when the earth gives way
For the Risen One has overcome
And for every fear there's an empty grave
For the Risen One has overcome*

Now the silence breaks in the name of Jesus
As the heavens cry let the earth respond
All creation shouts with a voice of triumph
To declare the reign of the Lord our God

We will not be moved when the earth gives way ...

He shall reign forever strongholds now surrender
For the Lord our God has overcome
Who can be against us? Jesus our defender
He is Lord and He has overcome
(repeat)

*We will not be moved when the earth gives way ...
(repeat)*

King of Kings

In the darkness we were waiting without hope without light
Till from Heaven You came running there was mercy in Your eyes
To fulfill the law and prophets to a virgin came the Word
From a throne of endless glory to a cradle in the dirt

Praise the Father praise the Son

Praise the Spirit three in one

God of Glory Majesty

Praise forever to the King of kings

To reveal the kingdom coming and to reconcile the lost
To redeem the whole creation You did not despise the cross
For even in Your suffering You saw to the other side
Knowing this was our salvation Jesus for our sake You died

Praise the Father praise the Son ...

And the morning that You rose all of heaven held its breath
Till that stone was moved for good for the Lamb had conquered death
And the dead rose from their tombs and the angels stood in awe
For the souls of all who'd come to the Father are restored

And the church of Christ was born then the Spirit lit the flame
Now this Gospel truth of old shall not kneel shall not faint
By His blood and in His Name in His freedom I am free
For the love of Jesus Christ Who has resurrected me

Praise the Father praise the Son ...
