You unravel me with a melody
You surround me with a song
Of deliverance from my enemies
Till all my fears are gone

*I'm no longer a slave to fear
I am a child of God
I'm no longer a slave to fear
I am a child of God*

From my Mother's womb
You have chosen me
Your love has called my name
I've been born again into Your family
Your blood flows through my veins

I'm no longer a slave to fear ...

You split the sea so I could walk right through it
My fears were drowned in perfect love
You rescued me so I could stand and sing
I am a child of God
(repeat)

I am a child of God (3x)

What gift of grace is Jesus, my Redeemer
There is no more for heaven now to give
He is my joy my righteousness and freedom
My steadfast love my deep and boundless peace
To this I hold my hope is only Jesus
For my life is wholly bound to His
Oh how strange and divine I can sing all is mine
Yet not I but through Christ in me

The night is dark but I am not forsaken
For by my side the Saviour He will stay
I labour on in weakness and rejoicing
For in my need His power is displayed
To this I hold my Shepherd will defend me
Through the deepest valley He will lead
Oh the night has been won and I shall overcome
Yet not I but through Christ in me

No fate I dread I know I am forgiven
The future sure the price it has been paid
For Jesus bled and suffered for my pardon
And he was raised to overthrow the grave
To this I hold my sin has been defeated
Jesus now and ever is my plea
Oh the chains are released I can sing I am free
Yet not I but through Christ in me

With every breath I long to follow Jesus
For He has said that He will bring me home
And day by day I know He will renew me
Until I stand with joy before the throne
To this I hold my hope is only Jesus
All the glory evermore to Him
When the race is complete still my lips shall repeat
Yet not I but through Christ in me
When the race is complete still my lips shall repeat
Yet not I but through Christ in me
Yet not I but through Christ in me

Through every battle through every heartbreak
Through every circumstance
I believe that You are my fortress
You are my portion You are my hiding place
I believe You are

The Way the Truth the Life

I believe You are

The Way the Truth the Life

I believe

Through every blessing through every promise
Through every breath I take
I believe that You are Provider
You are Protector You are the One I love
I believe You are

The Way the Truth the Life ...

It's a new horizon and I'm set on You
And You meet me here today with mercies that are new
All my fears and doubts they can all come too
Because they can't stay long when I'm here with You
It's a new horizon and I'm set on You
And You meet me here today with mercies that are new
All my fears and doubts they can all come too
Because they can't stay long when I believe that You are

The Way the Truth the Life ...

For my waking breath for my daily bread

I depend on You I depend on You

For the sun to rise for my sleep at night

I depend on You I depend on You

You're the way the truth and the life

You're the well that never runs dry

I'm the branch and You are the vine

Draw me close and teach me to abide

Where the Spirit leads as I'm following

I depend on You I depend on You

For the victories still in front of me

I depend on You I depend on You

You're the way the truth and the life

You're the well that never runs dry

I'm the branch and You are the vine

Draw me close and teach me to abide

Be my strength my song in the night

Be my all my treasure my prize

I am yours forever You're mine

Draw me close and teach me to abide

When I pass through death as I enter rest

I depend on You I depend on You

For eternal life to be raised with Christ

I depend on You I depend on You

You're the way the truth and the life ...

Would you teach me

Would you teach me to abide

Look at all the broken pieces all around me
Pieces deep inside my soul
I don't know what's real can't help the way I'm feeling
All I know is I'm alone

*I need a rescue I need a reckoning
From all the things I've done and have been done to me
I need revival I need recovery
I need to know that there's an answer for what's missing
'Cause something's missing
'Cause something's missing*

Turn up all the music something to amuse me
Silence is a lonely friend
If you really knew me could you really love me
Save me from this loneliness

I need a rescue ...

It's like I fell into a hole too deep to climb out
And I looked up to the sky and saw you reaching down
Reaching down

*You are the rescue You are the reckoning
From all the things I've done and have been done to me
You are revival You're my recovery
I know that You're the answer for what's missing*

*Because You love me
(repeat)*
