Oh my Lord You are my Shepherd and I shall not want
Oh my Lord beside still waters You repair my heart
I trust in You oh I trust in You

*Even though I walk through the valley of death
You restore my soul and You give me rest
Oh the memories of Your faithfulness
You restore my soul and You give me rest
You restore my soul and You give me rest
You give me rest*

Oh my Lord You've prepared a table for You and me
Oh my Lord in the middle of the fire with my enemies
I trust in You oh I trust in You

Even though I walk through the valley of death ...

I will fear no evil for You're here with me
Your goodness and Your love
They will never leave

Just a closer walk with Thee just a closer walk
Just a closer walk with Thee just a closer walk

Even though I walk through the valley of death ...

You give me rest

My Worth Is Not In What I Own

My worth is not in what I own
Not in the strength of flesh and bone
But in the costly wounds of love at the cross

My worth is not in skill or name
In win or lose in pride or shame
But in the blood of Christ that flowed at the cross

*I rejoice in my Redeemer
Greatest treasure wellspring of my soul
I will trust in Him no other
My soul is satisfied in Him alone*

As summer flowers we fade and die
Fame and youth and beauty hurry by
But life eternal calls to us at the cross

I will not boast in wealth or might
Or human wisdom's fleeting light
But I will boast in knowing Christ at the cross

I rejoice in my Redeemer ...

Two wonders here that I confess
My worth and my unworthiness
My value fixed my ransom paid at the cross

I rejoice in my Redeemer ...

Man of Sorrows

Lord You're weeping with me help me to believe
That when my heart is heavy as a stone You say I'm not alone

*Man of sorrows what a name
Bore our suffering bore all of our pain
Man of sorrows broken sinners to reclaim
Overcame the darkness and walked out of the grave*

Lord You're aching with me help me to believe
That when my soul is lost in the storm You're acquainted with my grief

Man of sorrows ...

He was pierced for our transgressions He was crushed for all our sins
And the punishment that brought us peace was laid on Him
He was stricken and afflicted but God's mercy would reveal
What His suffering would bring us by His wounds we're healed

*Man of sorrows what a name
Bore our suffering bore all of our pain
Man of sorrows broken sinners to reclaim
Overcame the darkness and walked out of the grave
You overcame my darkness when You walked out of the grave*

All The Poor And Powerless

CCLI Song # 5881130, CCLI License # 1693489

All the poor and powerless and all the lost and lonely
All the thieves will come confess and know that You are holy
And know that You are holy

And all will sing out hallelujah and we will cry out hallelujah

All the hearts who are content and all who feel unworthy
And all who hurt with nothing left will know that You are holy

And all will sing out hallelujah and we will cry out hallelujah
(repeat)

Shout it go on and scream it from the mountains
Go on and tell it to the masses that He is God
(repeat)

We will sing out hallelujah and we will cry out hallelujah
We will sing out hallelujah God
(repeat)

How Great Is Your Love

From the darkness I called Your name
Into darkness Your mercy came
You called me out lifted me up
How great is Your love

You bore my weakness You took my shame
Buried my burdens in fields of grace
You called me out lifted me up
How great is Your love

*From the heights of heaven You stepped down to earth
Innocent perfection gave your life for us
And we are amazed yes we stand in awe
For we have been changed by the power of the cross
How great how great how great is Your love
How great how great how great is Your love
How great how great how great is Your love for us*

In Your kindness You lead me home
In Your presence where I belong
You called me out lifted me up
How great is Your love

From the heights of heaven ...

There has never been
And there will never be
A God like You a love so true
(repeat)

*How great how great how great is Your love
(repeat)*

How great is Your love for us
