Look at all the broken pieces all around me  
Pieces deep inside my soul  
I don't know what's real can't help the way I'm feeling  
All I know is I'm alone

*I need a rescue I need a reckoning  
From all the things I've done and have been done to me  
I need revival I need recovery  
I need to know that there's an answer for what's missing  
'Cause something's missing  
'Cause something's missing*

Turn up all the music something to amuse me  
Silence is a lonely friend  
If you really knew me could you really love me  
Save me from this loneliness

*I need a rescue ...*

It's like I fell into a hole too deep to climb out  
And I looked up to the sky and saw you reaching down  
Reaching down

*You are the rescue You are the reckoning  
From all the things I've done and have been done to me  
You are revival You're my recovery  
I know that You're the answer for what's missing*

*Because You love me  
(repeat)*

## Grace

Your grace that leads the sinner home  
From death to life forever  
And sings the song of righteousness  
By blood and not by merit

Your grace that reaches far and wide  
To every tribe and nation  
Has called my heart to enter in  
The joy of Your salvation

*By grace I am redeemed*

*By grace I am restored*

*And now I freely walk into the arms of Christ my Lord*

Your grace that I cannot explain  
Not by my earthly wisdom  
The Prince of Life without a stain  
Was traded for this sinner

Let praise rise up and overflow  
My song resound forever  
For grace will see me welcomed home  
To walk beside my Saviour

*By grace I am redeemed ...*

Worthy of every song we could ever sing  
Worthy of all the praise we could ever bring  
Worthy of every breath we could ever breathe  
We live for You

Jesus the name above every other name  
Jesus the only one who could ever save  
Worthy of every breath we could ever breathe  
We live for You  
We live for You

*Holy there is no one like You  
There is none beside You  
Open up my eyes in wonder  
And show me who You are  
And fill me with Your heart  
And lead me in Your love to those around me*

Jesus the name above every other name  
Jesus the only one who could ever save  
Worthy of every breath we could ever breathe  
We live for You  
We live for You

*Holy there is no one like You ...*

I will build my life upon Your love it is a firm foundation  
I will put my trust in You alone and I will not be shaken  
(repeat)

*Holy there is no one like You ...*

From the darkness I called Your name  
Into darkness Your mercy came  
You called me out lifted me up  
How great is Your love

You bore my weakness You took my shame  
Buried my burdens in fields of grace  
You called me out lifted me up  
How great is Your love

*From the heights of heaven You stepped down to earth  
Innocent perfection gave your life for us  
And we are amazed yes we stand in awe  
For we have been changed by the power of the cross  
How great how great how great is Your love  
How great how great how great is Your love  
How great how great how great is Your love for us*

In Your kindness You lead me home  
In Your presence where I belong  
You called me out lifted me up  
How great is Your love

*From the heights of heaven ...*

There has never been  
And there will never be  
A God like You a love so true  
(repeat)

*How great how great how great is Your love  
(repeat)*

*How great is Your love for us*

I believe in the Son  
I believe in the Risen One  
I believe I overcome  
By the power of His blood

*Amen amen I'm alive I'm alive because He lives  
Amen amen Let my song join the one that never ends  
Because He lives*

I was dead in the grave  
I was covered in sin and shame  
I heard mercy call my name  
He rolled the stone away

*Amen amen I'm alive I'm alive because He lives  
Amen amen Let my song join the one that never ends*

Because He lives I can face tomorrow  
Because He lives every fear is gone  
I know He holds my life  
My future in His hand

*Amen amen I'm alive I'm alive because He lives  
Amen amen Let my song join the one that never ends  
(repeat)*

Because He lives  
(repeat)
