I see Your face in every sunrise
The colors of the morning are inside Your eyes
The world awakens in the light of the day
I look up to the sky and say
You're beautiful

I see Your power in the moonlit night
Where planets are in motion and galaxies are bright
We are amazed in the light of the stars
It's all proclaiming who You are
You're beautiful

I see You there hanging on a tree
You bled and then You died
And then You rose again for me
Now You are sitting on Your heavenly throne
Soon we will be coming home
You're beautiful

When we arrive at eternity's shore
Where death is just a memory and tears are no more
We'll enter in as the wedding bells ring
Your bride will come together and we'll sing
You're beautiful

I see Your face You're beautiful
You're beautiful You're beautiful
(repeat)

My All In Thee

When gracious Lord when shall it be
That earth will find her all in Thee
The fulness of Thy promise prove
Seal me with Thy eternal love

Thee only Thee I'm fain to find
I cast the world and sin behind
O my Redeemer hear this plea
And let me find my all in Thee

*Show me Your way my love my Lord
Draw me to grace so strong and sure
I run to Your mercy where I am free
Let me find my all in Thee*

Lord I am blind be Thou my sight
Lord I am weak be Thou my might
A helper of the helpless be
And let me find my all in Thee

Show me Your way my love my Lord ...

Please mend my soul my frame my life
A contrite heart Thou won't despise
Take now this pain and misery
And let me find my all in Thee

*Show me Your way my love my Lord ...
(repeat)*

Rescue

Look at all the broken pieces all around me
Pieces deep inside my soul
I don't know what's real can't help the way I'm feeling
All I know is I'm alone

*I need a rescue I need a reckoning
From all the things I've done and have been done to me
I need revival I need recovery
I need to know that there's an answer for what's missing
'Cause something's missing
'Cause something's missing*

Turn up all the music something to amuse me
Silence is a lonely friend
If you really knew me could you really love me
Save me from this loneliness

I need a rescue ...

It's like I fell into a hole too deep to climb out
And I looked up to the sky and saw you reaching down
Reaching down

*You are the rescue You are the reckoning
From all the things I've done and have been done to me
You are revival You're my recovery
I know that You're the answer for what's missing*

*Because You love me
(repeat)*

How Great Is Your Love

From the darkness I called Your name
Into darkness Your mercy came
You called me out lifted me up
How great is Your love

You bore my weakness You took my shame
Buried my burdens in fields of grace
You called me out lifted me up
How great is Your love

*From the heights of heaven You stepped down to earth
Innocent perfection gave your life for us
And we are amazed yes we stand in awe
For we have been changed by the power of the cross
How great how great how great is Your love
How great how great how great is Your love
How great how great how great is Your love for us*

In Your kindness You lead me home
In Your presence where I belong
You called me out lifted me up
How great is Your love

From the heights of heaven ...

There has never been
And there will never be
A God like You a love so true
(repeat)

*How great how great how great is Your love
(repeat)*

How great is Your love for us

You've Already Won

by Bryan Fowler and Shane Barnard

There's peace that outlasts darkness
Hope that's in the blood
There's future grace that's mine today
That Jesus Christ has won

So I can face tomorrow
For tomorrow's in Your hands
All I need you will provide
Just like you always have

*I'm fighting a battle You've already won
No matter what comes my way I will overcome
I don't know what You're doing
But I know what You've done
I'm fighting a battle You've already won*

There's mercy in the waiting
Manna for today
And when it's gone I know You're not
You are my hope and stay

When the sea is raging
Your Spirit is my help
He'll fix my eyes on Jesus Christ
I'll say that it is well
Oh I know that it is well

I'm fighting a battle You've already won ...

I know how the story ends
We will be with You again
You're my Savior my defense
No more fear in life or death
(repeat)

I'm fighting a battle You've already won ...
