*Praise the Lord
His mercy is more
Stronger than darkness new every morn
Our sins they are many
His mercy is more*

What love could remember no wrongs we have done
Omniscient all knowing He counts not their sum
Thrown into a sea without bottom or shore
Our sins they are many His mercy is more

Praise the Lord ...

What patience would wait as we constantly roam
What Father so tender is calling us home
He welcomes the weakest the vilest the poor
Our sins they are many His mercy is more

Praise the Lord ...

What riches of kindness He lavished on us
His blood was the payment His life was the cost
We stood 'neath a debt we could never afford
Our sins they are many His mercy is more

*Praise the Lord ...
(repeat)*

Abide With Me

Abide with me fast falls the eventide
The darkness deepens Lord with me abide
When other helpers fail and comforts flee
Help of the helpless abide with me

Thou on my head in early youth didst smile
And though rebellious and perverse meanwhile
Thou hast not left me though I oft left Thee
On to the close Lord abide with me

I need Thy presence every passing hour
What but Thy grace can foil the tempter's power?
Who like Thyself my guide and stay can be?
Through cloud and sunshine abide with me

I fear no foe with Thee at hand to bless
Ills have no weight tears lose their bitterness
Where is thy sting death? Where grave thy victory?
I triumph still abide with me

Hold Thou Thy cross before my closing eyes
Shine through the gloom and point me to the skies
Heaven's morning breaks and earth's vain shadows flee
In life in death Lord abide with me

Look at all the broken pieces all around me
Pieces deep inside my soul
I don't know what's real can't help the way I'm feeling
All I know is I'm alone

*I need a rescue I need a reckoning
From all the things I've done and have been done to me
I need revival I need recovery
I need to know that there's an answer for what's missing
'Cause something's missing
'Cause something's missing*

Turn up all the music something to amuse me
Silence is a lonely friend
If you really knew me could you really love me
Save me from this loneliness

I need a rescue ...

It's like I fell into a hole too deep to climb out
And I looked up to the sky and saw you reaching down
Reaching down

*You are the rescue You are the reckoning
From all the things I've done and have been done to me
You are revival You're my recovery
I know that You're the answer for what's missing*

*Because You love me
(repeat)*

From the darkness I called Your name
Into darkness Your mercy came
You called me out lifted me up
How great is Your love

You bore my weakness You took my shame
Buried my burdens in fields of grace
You called me out lifted me up
How great is Your love

*From the heights of heaven You stepped down to earth
Innocent perfection gave your life for us
And we are amazed yes we stand in awe
For we have been changed by the power of the cross
How great how great how great is Your love
How great how great how great is Your love
How great how great how great is Your love for us*

In Your kindness You lead me home
In Your presence where I belong
You called me out lifted me up
How great is Your love

From the heights of heaven ...

There has never been
And there will never be
A God like You a love so true
(repeat)

*How great how great how great is Your love
(repeat)*

Overcome

Now the darkness fades into new beginnings
As we lift our eyes to a hope beyond
All creation waits with an expectation
To declare the reign of the Lord our God

*We will not be moved when the earth gives way
For the Risen One has overcome
And for every fear there's an empty grave
For the Risen One has overcome*

Now the silence breaks in the name of Jesus
As the heavens cry let the earth respond
All creation shouts with a voice of triumph
To declare the reign of the Lord our God

We will not be moved when the earth gives way ...

He shall reign forever strongholds now surrender
For the Lord our God has overcome
Who can be against us? Jesus our defender
He is Lord and He has overcome
(repeat)

*We will not be moved when the earth gives way ...
(repeat)*
