You unravel me with a melody
You surround me with a song
Of deliverance from my enemies
Till all my fears are gone

*I'm no longer a slave to fear
I am a child of God
I'm no longer a slave to fear
I am a child of God*

From my Mother's womb
You have chosen me
Your love has called my name
I've been born again into Your family
Your blood flows through my veins

I'm no longer a slave to fear ...

You split the sea so I could walk right through it
My fears were drowned in perfect love
You rescued me so I could stand and sing
I am a child of God
(repeat)

I am a child of God (3x)

It Is Done

Failure has called me friend
Constantly condescends
Failure has called me friend

Failure has known my name
Poisoned my heart within
Failure has known my name

*The cross says that I'm not a failure
The arms show how far love would reach
The nails driven into my Savior
Are driving the fear out of me
The lies that condemned me are broken
Shackles are shattered by love
The Word of the Father has spoken
Heaven declares it is done
So it is done*

Mercy has called my name
Oh what a sweet refrain
Mercy has called my name

Guilt has a heavy hand
Shame finds a way back in
But I hear Your voice again

*The cross says that I'm not a failure
The arms show how far love would reach
The nails driven into my Savior
Are driving the fear out of me
The lies that condemned me are broken
Shackles are shattered by love
The Word of the Father has spoken
Heaven declares it is done*

So it is done
It is finished
I am forgiven
I'm not defined by the things that I've done
You're my authority
You won't abandon me
I won't deny Your love
(repeat)

The cross says that I'm not a failure ...

For my waking breath for my daily bread

I depend on You I depend on You

For the sun to rise for my sleep at night

I depend on You I depend on You

You're the way the truth and the life

You're the well that never runs dry

I'm the branch and You are the vine

Draw me close and teach me to abide

Where the Spirit leads as I'm following

I depend on You I depend on You

For the victories still in front of me

I depend on You I depend on You

You're the way the truth and the life

You're the well that never runs dry

I'm the branch and You are the vine

Draw me close and teach me to abide

Be my strength my song in the night

Be my all my treasure my prize

I am yours forever You're mine

Draw me close and teach me to abide

When I pass through death as I enter rest

I depend on You I depend on You

For eternal life to be raised with Christ

I depend on You I depend on You

You're the way the truth and the life ...

Would you teach me

Would you teach me to abide

Look at all the broken pieces all around me
Pieces deep inside my soul
I don't know what's real can't help the way I'm feeling
All I know is I'm alone

*I need a rescue I need a reckoning
From all the things I've done and have been done to me
I need revival I need recovery
I need to know that there's an answer for what's missing
'Cause something's missing
'Cause something's missing*

Turn up all the music something to amuse me
Silence is a lonely friend
If you really knew me could you really love me
Save me from this loneliness

I need a rescue ...

It's like I fell into a hole too deep to climb out
And I looked up to the sky and saw you reaching down
Reaching down

*You are the rescue You are the reckoning
From all the things I've done and have been done to me
You are revival You're my recovery
I know that You're the answer for what's missing*

*Because You love me
(repeat)*

How Great Is Your Love

From the darkness I called Your name
Into darkness Your mercy came
You called me out lifted me up
How great is Your love

You bore my weakness You took my shame
Buried my burdens in fields of grace
You called me out lifted me up
How great is Your love

*From the heights of heaven You stepped down to earth
Innocent perfection gave your life for us
And we are amazed yes we stand in awe
For we have been changed by the power of the cross
How great how great how great is Your love
How great how great how great is Your love
How great how great how great is Your love for us*

In Your kindness You lead me home
In Your presence where I belong
You called me out lifted me up
How great is Your love

From the heights of heaven ...

There has never been
And there will never be
A God like You a love so true
(repeat)

*How great how great how great is Your love
(repeat)*

How great is Your love for us
