I love you Lord
Oh Your mercy never fails me
All my days I've been held in Your hands
From the moment that I wake up
Until I lay my head
I will sing of the goodness of God

*All my life You have been faithful
All my life You have been so so good
With every breath that I am able
I will sing of the goodness of God*

I love Your voice
You have led me through the fire
In darkest night You are close like no other
I've known You as a father
I've known You as a friend
I have lived in the goodness of God

All my life You have been faithful ...

Your goodness is running after
It's running after me (2x)
With my life laid down I'm surrendered now
I give You everything
Your goodness is running after
It's running after me
(repeat)

All my life You have been faithful ...

How Deep The Father's Love For Us

*By Stuart Townend, @1995 Thankyou Music,

How deep the Father's love for us
How vast beyond all measure
That He would give His only Son
To make a wretch His treasure
How great the pain of searing loss
The Father turns His face away
As wounds which mar the chosen One
Bring many sons to glory

Behold the Man upon a cross
My sin upon His shoulders
Ashamed I hear my mocking voice
Call out among the scoffers
It was my sin that held Him there
Until it was accomplished
His dying breath has brought me life
I know that it is finished

I will not boast in anything
No gifts, no power, no wisdom
But I will boast in Jesus Christ
His death and resurrection
Why should I gain from His reward
I cannot give an answer
But this I know with all my heart
His wounds have paid my ransom

Why should I gain from His reward
I cannot give an answer
But this I know with all my heart
His wounds have paid my ransom
His wounds have paid my ransom

We Will Dwell

Sing sing over us with the voice of our Shepherd
Lead lead us to life with the sovereign arm of mercy
(Repeat)

*We will dwell in the shelter of the most high God
We will sing in the courts of the King who is coming again
There is rest here in Your presence
There is rest here in Your presence*

Lift lift up our eyes from the losses and the longings
Burn burn like a fire through the terror of the darkness

We will dwell in the shelter of the most high God ...

When the mountains fall into the ocean
We trust in the One whose name is strong
Trust in the hand of God Almighty
When that ocean rises up against us
We trust in the One whose name is strong
Trust in the hand of God almighty
(repeat)

We will dwell in the shelter of the most high God ...

King of Kings

In the darkness we were waiting without hope without light
Till from Heaven You came running there was mercy in Your eyes
To fulfill the law and prophets to a virgin came the Word
From a throne of endless glory to a cradle in the dirt

*Praise the Father praise the Son
Praise the Spirit three in one
God of Glory Majesty
Praise forever to the King of kings*

To reveal the kingdom coming and to reconcile the lost
To redeem the whole creation You did not despise the cross
For even in Your suffering You saw to the other side
Knowing this was our salvation Jesus for our sake You died

Praise the Father praise the Son ...

And the morning that You rose all of heaven held its breath
Till that stone was moved for good for the Lamb had conquered death
And the dead rose from their tombs and the angels stood in awe
For the souls of all who'd come to the Father are restored

And the church of Christ was born then the Spirit lit the flame
Now this Gospel truth of old shall not kneel shall not faint
By His blood and in His Name in His freedom I am free
For the love of Jesus Christ Who has resurrected me

Praise the Father praise the Son ...

Just As Good

I've been here before my heart feels so weak
Got this weight upon my chest and
I can't stop forgetting my God You've never left
You're right here with me still I'm convinced You're hiding
Oh God would You remind me

*That You're still just as good as when I met You
You're still just as kind don't let me forget that
You're still the same God who led me through the fire
You're still the same God that separates the waters
Come do what only You can do God I need You*

You've done this before will You do it again
'Cause the waves are all around me
And it feels like I'm drowning
My God will You still reach down and give me Your hand
'Cause even when I'm doubting
You're love it still surrounds me

That You're still just as good as when I met You ...

And I will build an altar and stack it stone by stone
'Cause every Ebenezer says I've never been alone
My faith will surely falter but that don't change what You've done
'Cause every Ebenezer points to where my help comes from
(repeat)

You're still just as good as when I met You ...

I will build an altar and stack it stone by stone
'Cause every Ebenezer says I've never been alone
My faith will surely falter but that don't change what You've done
'Cause every Ebenezer points to where my help comes from
Oh every Ebenezer points to where my help comes from
