Worship the Lord through those verses!

3. **Sermon Reflection: “Anger & Relational Integrity”**

Relational Integrity

- Why do love and relationships matter more than anything else?

The Relationship of Root & Fruit

- How do our words and actions reflect our hearts?

Integrating The Concrete & Spiritual

- How does reconciliation with the LORD, by Jesus’ grace, lead us to live?

4. **Kingdom Centered Prayer: You Can Pray with Us**

- I. Worship the LORD for His absolute integrity. Praise Him, Father, Son, and Holy Spirit, that He is and always has been good, and forever will be the only Source of all that good and right
- II. How have you lived with gaps between what you do and what you truly think, willingly letting people think more highly of you than you deserve? Confess your lack of integrity to Jesus, asking Him to forgive you.
- III. Give thanks to Jesus for His work to unify the LORD’s holiness and mercy. Thank Him for satisfying the Father’s holy standards of justice and securing for us mercy by His death and resurrection in our place.
- IV. Give thanks to Jesus for the wonder of His work to leave heaven to first work to reconcile us to His Father. Thank Him that by His saving grace, that worship now is and forever will be richer in heaven before His Father.
- V. Ask the Holy Spirit to bear in You His fruit of love, peace, and gentleness. Pray for heart transformation in your own life that it would overflow into how you love, serve, and even bless those who’ve hurt you.

5. **Mission: We are on mission as Christians to boast in the LORD!**
