When gracious Lord when shall it be  
That earth will find her all in Thee  
The fulness of Thy promise prove  
Seal me with Thy eternal love

Thee only Thee I'm fain to find  
I cast the world and sin behind  
O my Redeemer hear this plea  
And let me find my all in Thee

*Show me Your way my love my Lord  
Draw me to grace so strong and sure  
I run to Your mercy where I am free  
Let me find my all in Thee*

Lord I am blind be Thou my sight  
Lord I am weak be Thou my might  
A helper of the helpless be  
And let me find my all in Thee

*Show me Your way my love my Lord ...*

Please mend my soul my frame my life  
A contrite heart Thou won't despise  
Take now this pain and misery  
And let me find my all in Thee

*Show me Your way my love my Lord ...  
(repeat)*

## Grace

Your grace that leads the sinner home  
From death to life forever  
And sings the song of righteousness  
By blood and not by merit

Your grace that reaches far and wide  
To every tribe and nation  
Has called my heart to enter in  
The joy of Your salvation

*By grace I am redeemed*

*By grace I am restored*

*And now I freely walk into the arms of Christ my Lord*

Your grace that I cannot explain  
Not by my earthly wisdom  
The Prince of Life without a stain  
Was traded for this sinner

Let praise rise up and overflow  
My song resound forever  
For grace will see me welcomed home  
To walk beside my Saviour

*By grace I am redeemed ...*

I've been here before my heart feels so weak  
Got this weight upon my chest and  
I can't stop forgetting my God You've never left  
You're right here with me still I'm convinced You're hiding  
Oh God would You remind me

*That You're still just as good as when I met You  
You're still just as kind don't let me forget that  
You're still the same God who led me through the fire  
You're still the same God that separates the waters  
Come do what only You can do God I need You*

You've done this before will You do it again  
'Cause the waves are all around me  
And it feels like I'm drowning  
My God will You still reach down and give me Your hand  
'Cause even when I'm doubting  
You're love it still surrounds me

*That You're still just as good as when I met You ...*

And I will build an altar and stack it stone by stone  
'Cause every Ebenezer says I've never been alone  
My faith will surely falter but that don't change what You've done  
'Cause every Ebenezer points to where my help comes from  
(repeat)

*You're still just as good as when I met You ...*

I will build an altar and stack it stone by stone  
'Cause every Ebenezer says I've never been alone  
My faith will surely falter but that don't change what You've done  
'Cause every Ebenezer points to where my help comes from  
Oh every Ebenezer points to where my help comes from

Who else commands all the hosts of heaven  
Who else could make every king bow down  
Who else can whisper and darkness trembles  
Only a Holy God

What other beauty demands such praises  
What other splendor outshines the sun  
What other majesty rules with justice  
Only a Holy God

*Come and behold Him*

*The One and the Only*

*Cry out sing holy*

*Forever a Holy God*

*Come and worship the Holy God*

What other glory consumes like fire  
What other power can raise the dead  
What other name remains undefeated  
Only a Holy God

*Come and behold Him ...*

Who else could rescue me from my failing  
Who else would offer His only Son  
Who else invites me to call Him Father  
Only a Holy God  
Only my Holy God

*Come and behold Him ...*

## How Great Is Your Love

From the darkness I called Your name  
Into darkness Your mercy came  
You called me out lifted me up  
How great is Your love

You bore my weakness You took my shame  
Buried my burdens in fields of grace  
You called me out lifted me up  
How great is Your love

*From the heights of heaven You stepped down to earth  
Innocent perfection gave your life for us  
And we are amazed yes we stand in awe  
For we have been changed by the power of the cross  
How great how great how great is Your love  
How great how great how great is Your love  
How great how great how great is Your love for us*

In Your kindness You lead me home  
In Your presence where I belong  
You called me out lifted me up  
How great is Your love

*From the heights of heaven ...*

There has never been  
And there will never be  
A God like You a love so true  
(repeat)

*How great how great how great is Your love  
(repeat)*

*How great is Your love for us*
