My worth is not in what I own
Not in the strength of flesh and bone
But in the costly wounds of love at the cross

My worth is not in skill or name
In win or lose in pride or shame
But in the blood of Christ that flowed at the cross

*I rejoice in my Redeemer
Greatest treasure wellspring of my soul
I will trust in Him no other
My soul is satisfied in Him alone*

As summer flowers we fade and die
Fame and youth and beauty hurry by
But life eternal calls to us at the cross

I will not boast in wealth or might
Or human wisdom's fleeting light
But I will boast in knowing Christ at the cross

I rejoice in my Redeemer ...

Two wonders here that I confess
My worth and my unworthiness
My value fixed my ransom paid at the cross

I rejoice in my Redeemer ...

Upon A Life

Upon a life I have not lived, upon a death I did not die
Another's life Another's death I stake my whole eternity

Not the tears which I have shed not on the sorrows I have known
Another's tears Another's griefs on these I rest on these alone

*O Jesus Son of God I build on what Thy cross has done for me
There both my life and death I read
My guilt my pardon there I see
There I see*

Lord I believe O deal with me as one who has Thy Word believed
I take the gift Lord look on me as one who has Thy gift received

O Jesus Son of God ...

Upon a Life I have not lived ...

O Jesus Son of God ...

You take what is and You make it beautiful
When love floods in we're restored forevermore

*With breath that brings the dead to life
With words that pierce the dark with light
Only by the blood are we set free
With mercy strong to carry shame and nail it to a tree
You alone hold the power to redeem*

No guilt competes with innocence crucified
No grave can hold what Your grace has justified

With breath that brings the dead to life ...

Rejoice oh child of God
Lift your eyes to see
With every morning light
Again we are redeemed
(repeat)

With breath that brings the dead to life ...

I know who I am 'cause I know who You are
The cross of salvation was only the start
Now I am chosen free and forgiven
I have a future and it's worth the living

*I wasn't made to be tending a grave
I was called by name born and raised
Back to life again I was made for more
So why would I make a bed in my shame
When a fountain of grace is running my way
I know I am Yours and I was made for more*

I know who I am 'cause I know who You are
The cross of salvation was only the start
Now I am chosen free and forgiven
I have a future and it's worth the living

Hallelujah You called out my name
So I'll sing our Your praise
Hallelujah You buried my past
I'm not going back
(repeat)

I wasn't made to be tending a grave ...

Hallelujah You called out my name ...
(repeat)

I wasn't made to be tending a grave ...

Just As Good

I've been here before my heart feels so weak
Got this weight upon my chest and
I can't stop forgetting my God You've never left
You're right here with me still I'm convinced You're hiding
Oh God would You remind me

*That You're still just as good as when I met You
You're still just as kind don't let me forget that
You're still the same God who led me through the fire
You're still the same God that separates the waters
Come do what only You can do God I need You*

You've done this before will You do it again
'Cause the waves are all around me
And it feels like I'm drowning
My God will You still reach down and give me Your hand
'Cause even when I'm doubting
You're love it still surrounds me

That You're still just as good as when I met You ...

And I will build an altar and stack it stone by stone
'Cause every Ebenezer says I've never been alone
My faith will surely falter but that don't change what You've done
'Cause every Ebenezer points to where my help comes from
(repeat)

You're still just as good as when I met You ...

I will build an altar and stack it stone by stone
'Cause every Ebenezer says I've never been alone
My faith will surely falter but that don't change what You've done
'Cause every Ebenezer points to where my help comes from
Oh every Ebenezer points to where my help comes from
