I love you Lord
Oh Your mercy never fails me
All my days I've been held in Your hands
From the moment that I wake up
Until I lay my head
I will sing of the goodness of God

*All my life You have been faithful
All my life You have been so so good
With every breath that I am able
I will sing of the goodness of God*

I love Your voice
You have led me through the fire
In darkest night You are close like no other
I've known You as a father
I've known You as a friend
I have lived in the goodness of God

All my life You have been faithful ...

Your goodness is running after
It's running after me (2x)
With my life laid down I'm surrendered now
I give You everything
Your goodness is running after
It's running after me
(repeat)

All my life You have been faithful ...

When I Survey The Wondrous Cross

When I survey the wondrous cross
On which the Prince of glory died
My richest gain I count but loss
And pour contempt on all my pride
See from His head His hands His feet
Sorrow and love flow mingled down
Did e'er such love sorrow meet
Or thorns compose so rich a crown
Forbid it Lord that I should boast
Save in the death of Christ my God
All the vain things that charm me most
I sacrifice them to His blood
Were the whole realm of nature mine
That were an offering far too small
Love so amazing so divine
Demands my soul my life my all
Love so amazing so divine
Demands my soul my life my all

I know right where I'm turning
When trouble's on every side
The lesson I keep on learning is
I just need You

I may never know every reason
Why things are the way they are
Oh I don't need all the answers
I just need You

*Shelter I need Your shelter
Hide me away from the harm
Away from it all
I'm safe here in Your loving arms
I need Your shelter*

Whatever the future's holding
Whatever tomorrow brings
Oh one thing I know is certain
I just need You

Shelter I need Your shelter ...

The weight of the world's falling off of my shoulders
I'm letting go 'cause I know that You hold it
You care for me more than I even know
And I just need You
(repeat)

Shelter I need Your shelter ...

How great this love oh it's moving all my mountains
This perfect love it's casting out my fear
How great this love oh it welcomes me like family
And anywhere I go it meets me there

*He is good and He is God
What I earned it's not what I got
And He is just yet oh so kind
What I deserve it's not what I find
What more could I say about Him
My God is love*

How great this love oh it's faithful through my failures
This trusted love is with me 'til the end
How great this love oh it's closer than a brother
This is love He died so I could live

He is good and He is God ...

I know my God is love
I know my God is love
This is enough to know my God is love
(repeat)

He is good and He is God ...

We Will Dwell

Sing sing over us with the voice of our Shepherd
Lead lead us to life with the sovereign arm of mercy
(Repeat)

We will dwell in the shelter of the most high God
We will sing in the courts of the King who is coming again
There is rest here in Your presence
There is rest here in Your presence

Lift lift up our eyes from the losses and the longings
Burn burn like a fire through the terror of the darkness

We will dwell in the shelter of the most high God ...

When the mountains fall into the ocean
We trust in the One whose name is strong
Trust in the hand of God Almighty
When that ocean rises up against us
We trust in the One whose name is strong
Trust in the hand of God almighty
(repeat)

We will dwell in the shelter of the most high God ...
