When gracious Lord when shall it be
That earth will find her all in Thee
The fulness of Thy promise prove
Seal me with Thy eternal love

Thee only Thee I'm fain to find
I cast the world and sin behind
O my Redeemer hear this plea
And let me find my all in Thee

*Show me Your way my love my Lord
Draw me to grace so strong and sure
I run to Your mercy where I am free
Let me find my all in Thee*

Lord I am blind be Thou my sight
Lord I am weak be Thou my might
A helper of the helpless be
And let me find my all in Thee

Show me Your way my love my Lord ...

Please mend my soul my frame my life
A contrite heart Thou won't despise
Take now this pain and misery
And let me find my all in Thee

*Show me Your way my love my Lord ...
(repeat)*

Jesus Is

When I hang by a thread at the end of my rope
And I'm losing my grip and I've lost all hope
Along comes the strength beyond my control
Oh that's what Jesus is

With the scoundrels and drunkards lepers and me
On a hill far away between a couple of thieves
The last place on earth you think He would be
But that's right where Jesus is

*The Prince of Peace and perfect love
That's Who He is and where I run
I can't count the ways that I'm not enough
But thank God oh thank God Jesus is*

When I'm walking back guilty from the places I go
With no hesitation He welcomes me home
He's not afraid to get mud on His robe
That's just how Jesus is

The Prince of Peace and perfect love ...

It Is Well

Grander earth has quaked before
Moved by the sound of His voice
Seas that are shaken and stirred
Can be calmed and broken for my regard

*Through it all through it all my eyes are on You
Through it all through it all it is well
Through it all through it all my eyes are on You
It is well with me*

Far be it from me to not believe
Even when my eyes can't see
And this mountain that's in front of me
Will be thrown into the midst of the sea

*Through it all through it all my eyes are on You
Through it all through it all it is well
Through it all through it all my eyes are on You
It is well it is well*

So let go my soul and trust in Him
The waves and wind still know His name
(repeat)

It is well with my soul
It is well with my soul
It is well with my soul
It is well it is well with my soul
(repeat)

It is well it is well with my soul

Just As Good

I've been here before my heart feels so weak
Got this weight upon my chest and
I can't stop forgetting my God You've never left
You're right here with me still I'm convinced You're hiding
Oh God would You remind me

*That You're still just as good as when I met You
You're still just as kind don't let me forget that
You're still the same God who led me through the fire
You're still the same God that separates the waters
Come do what only You can do God I need You*

You've done this before will You do it again
'Cause the waves are all around me
And it feels like I'm drowning
My God will You still reach down and give me Your hand
'Cause even when I'm doubting
You're love it still surrounds me

That You're still just as good as when I met You ...

And I will build an altar and stack it stone by stone
'Cause every Ebenezer says I've never been alone
My faith will surely falter but that don't change what You've done
'Cause every Ebenezer points to where my help comes from
(repeat)

You're still just as good as when I met You ...

I will build an altar and stack it stone by stone
'Cause every Ebenezer says I've never been alone
My faith will surely falter but that don't change what You've done
'Cause every Ebenezer points to where my help comes from
Oh every Ebenezer points to where my help comes from

For my waking breath for my daily bread

I depend on You I depend on You

For the sun to rise for my sleep at night

I depend on You I depend on You

You're the way the truth and the life

You're the well that never runs dry

I'm the branch and You are the vine

Draw me close and teach me to abide

Where the Spirit leads as I'm following

I depend on You I depend on You

For the victories still in front of me

I depend on You I depend on You

You're the way the truth and the life

You're the well that never runs dry

I'm the branch and You are the vine

Draw me close and teach me to abide

Be my strength my song in the night

Be my all my treasure my prize

I am yours forever You're mine

Draw me close and teach me to abide

When I pass through death as I enter rest

I depend on You I depend on You

For eternal life to be raised with Christ

I depend on You I depend on You

You're the way the truth and the life ...

Would you teach me

Would you teach me to abide
