*I'm no longer a slave to fear
I am a child of God
I'm no longer a slave to fear
I am a child of God*

You unravel me with a melody
You surround me with a song
Of deliverance from my enemies
Till all my fears are gone

I'm no longer a slave to fear ...

From my Mother's womb
You have chosen me
Your love has called my name
I've been born again into Your family
Your blood flows through my veins

I'm no longer a slave to fear ...

I am surrounded
By the arms of the Father
I am surrounded
By songs of deliverance
We've been liberated
From our bondage
We're the sons and daughters
Let us sing our freedom

You split the sea so I could walk right through it
My fears were drowned in perfect love
You rescued me so I could stand and sing
I am a child of God
(repeat)
I am a child of God

Come you weary heart now to Jesus
Come you anxious soul now and see
There is perfect love and comfort in your tears
Rest here in His wondrous peace

*Oh the goodness the goodness of Jesus
Satisfied He is all that I need
May it be come what may
That I rest all my days
In the goodness of Jesus*

Come find what this world cannot offer
Come and find your joy here complete
Taste the living water never thirst again
Rest here in His wondrous peace

Oh the goodness the goodness of Jesus ...

Come and find your hope now in Jesus
He is all He said He would be
Grace is overflowing from the Saviour's heart
Rest here in His wondrous peace

Oh the goodness the goodness of Jesus ...

My All In Thee

When gracious Lord when shall it be
That earth will find her all in Thee
The fulness of Thy promise prove
Seal me with Thy eternal love

Thee only Thee I'm fain to find
I cast the world and sin behind
O my Redeemer hear this plea
And let me find my all in Thee

*Show me Your way my love my Lord
Draw me to grace so strong and sure
I run to Your mercy where I am free
Let me find my all in Thee*

Lord I am blind be Thou my sight
Lord I am weak be Thou my might
A helper of the helpless be
And let me find my all in Thee

Show me Your way my love my Lord ...

Please mend my soul my frame my life
A contrite heart Thou won't despise
Take now this pain and misery
And let me find my all in Thee

*Show me Your way my love my Lord ...
(repeat)*

All the poor and powerless and all the lost and lonely
All the thieves will come confess and know that You are holy
And know that You are holy

And all will sing out hallelujah and we will cry out hallelujah

All the hearts who are content and all who feel unworthy
And all who hurt with nothing left will know that You are holy

And all will sing out hallelujah and we will cry out hallelujah
(repeat)

Shout it go on and scream it from the mountains
Go on and tell it to the masses that He is God
(repeat)

We will sing out hallelujah and we will cry out hallelujah
We will sing out hallelujah God
(repeat)

Just As Good

I've been here before my heart feels so weak
Got this weight upon my chest and
I can't stop forgetting my God You've never left
You're right here with me still I'm convinced You're hiding
Oh God would You remind me

*That You're still just as good as when I met You
You're still just as kind don't let me forget that
You're still the same God who led me through the fire
You're still the same God that separates the waters
Come do what only You can do God I need You*

You've done this before will You do it again
'Cause the waves are all around me
And it feels like I'm drowning
My God will You still reach down and give me Your hand
'Cause even when I'm doubting
You're love it still surrounds me

That You're still just as good as when I met You ...

And I will build an altar and stack it stone by stone
'Cause every Ebenezer says I've never been alone
My faith will surely falter but that don't change what You've done
'Cause every Ebenezer points to where my help comes from
(repeat)

You're still just as good as when I met You ...

I will build an altar and stack it stone by stone
'Cause every Ebenezer says I've never been alone
My faith will surely falter but that don't change what You've done
'Cause every Ebenezer points to where my help comes from
Oh every Ebenezer points to where my help comes from
