Oh You've come to bring peace to be Love

To be nearer to us

You've come to bring life to be Light

To shine brighter in us

Oh Emmanuel God with us

Our Deliverer You are Savior

In Your presence we find our strength

Over everything our Redemption

God with us

You are God with us

Oh You've come to be Hope to this world

For Your honor and name

And You've come to take sin to bear shame

And to conquer the grave

Oh Emmanuel God with us

Our Deliverer You are Savior ...

You are here You are holy

We are standing in Your glory (Lord)

(repeat 3x)

Our Deliverer You are Savior ...

I know right where I'm turning
When trouble's on every side
The lesson I keep on learning is
I just need You

I may never know every reason
Why things are the way they are
Oh I don't need all the answers
I just need You

*Shelter I need Your shelter
Hide me away from the harm
Away from it all
I'm safe here in Your loving arms
I need Your shelter*

Whatever the future's holding
Whatever tomorrow brings
Oh one thing I know is certain
I just need You

Shelter I need Your shelter ...

The weight of the world's falling off of my shoulders
I'm letting go 'cause I know that You hold it
You care for me more than I even know
And I just need You
(repeat)

Shelter I need Your shelter ...

We Will Dwell

Sing sing over us with the voice of our Shepherd
Lead lead us to life with the sovereign arm of mercy
(Repeat)

We will dwell in the shelter of the most high God
We will sing in the courts of the King who is coming again
There is rest here in Your presence
There is rest here in Your presence

Lift lift up our eyes from the losses and the longings
Burn burn like a fire through the terror of the darkness

We will dwell in the shelter of the most high God ...

When the mountains fall into the ocean
We trust in the One whose name is strong
Trust in the hand of God Almighty
When that ocean rises up against us
We trust in the One whose name is strong
Trust in the hand of God almighty
(repeat)

We will dwell in the shelter of the most high God ...

Well I've been turned 'round
But I've never been lost
Seen the water get troubled
But we walked across
When my knees were shaking
You held my hand
Turning my problems to a promised land

*Lead on Good Shepherd
I'll follow all my days
There ain't nothing sweeter
Than to watch You make a way
You've walked me through the valley
But You never steered me wrong
So lead on Good Shepherd lead on*

Seen some mighty deep canyons
That You brought me through
Seen some mighty big mountains
That just up and moved
Glory glory hallelujah
Yeah that's my song
Walking with my Father
Into the great unknown

Lead on Good Shepherd ...

Step by step day by day
Lead me on Lord I pray
Road gets dark walk by faith
Lead on Good Shepherd
(repeat)

Lead on Good Shepherd ...

You've Already Won

There's peace that outlasts darkness
Hope that's in the blood
There's future grace that's mine today
That Jesus Christ has won

So I can face tomorrow
For tomorrow's in Your hands
All I need you will provide
Just like you always have

*I'm fighting a battle You've already won
No matter what comes my way I will overcome
I don't know what You're doing
But I know what You've done
I'm fighting a battle You've already won*

There's mercy in the waiting
Manna for today
And when it's gone I know You're not
You are my hope and stay

When the sea is raging
Your Spirit is my help
He'll fix my eyes on Jesus Christ
I'll say that it is well
Oh I know that it is well

I'm fighting a battle You've already won ...

I know how the story ends
We will be with You again
You're my Savior my defense
No more fear in life or death
(repeat)

I'm fighting a battle You've already won ...
