I love you Lord
Oh Your mercy never fails me
All my days I've been held in Your hands
From the moment that I wake up
Until I lay my head
I will sing of the goodness of God

*All my life You have been faithful
All my life You have been so so good
With every breath that I am able
I will sing of the goodness of God*

I love Your voice
You have led me through the fire
In darkest night You are close like no other
I've known You as a father
I've known You as a friend
I have lived in the goodness of God

All my life You have been faithful ...

Your goodness is running after
It's running after me (2x)
With my life laid down I'm surrendered now
I give You everything
Your goodness is running after
It's running after me
(repeat)

All my life You have been faithful ...

Oh my Lord You are my Shepherd and I shall not want
Oh my Lord beside still waters You repair my heart
I trust in You oh I trust in You

*Even though I walk through the valley of death
You restore my soul and You give me rest
Oh the memories of Your faithfulness
You restore my soul and You give me rest
You restore my soul and You give me rest
You give me rest*

Oh my Lord You've prepared a table for You and me
Oh my Lord in the middle of the fire with my enemies
I trust in You oh I trust in You

Even though I walk through the valley of death ...

I will fear no evil for You're here with me
Your goodness and Your love
They will never leave

Just a closer walk with Thee just a closer walk
Just a closer walk with Thee just a closer walk

Even though I walk through the valley of death ...

You give me rest

My life is Yours and my hope is in You only
And my heart You hold
'Cause You made this sinner holy
And holy holy

*'Cause Your glory is so beautiful
I fall onto my knees in awe
And the heartbeat of my life
Is to worship in Your light
'Cause Your glory is so beautiful
'Cause Your glory is so beautiful
(repeat all)*

Glory glory hallelujah Jesus You are good
(repeat)

What can wash away my sin
Nothing but the blood of Jesus
What can make me whole again
Nothing but the blood of Jesus

Oh precious is the flow that makes me white as snow
No other fount I know nothing but the blood of Jesus

Glory glory hallelujah Jesus You are good
(repeat)

All The Poor And Powerless

CCLI Song # 5881130, CCLI License # 1693489

All the poor and powerless and all the lost and lonely
All the thieves will come confess and know that You are holy
And know that You are holy

And all will sing out hallelujah and we will cry out hallelujah

All the hearts who are content and all who feel unworthy
And all who hurt with nothing left will know that You are holy

And all will sing out hallelujah and we will cry out hallelujah
(repeat)

Shout it go on and scream it from the mountains
Go on and tell it to the masses that He is God
(repeat)

We will sing out hallelujah and we will cry out hallelujah
We will sing out hallelujah God
(repeat)

Just As Good

I've been here before my heart feels so weak
Got this weight upon my chest and
I can't stop forgetting my God You've never left
You're right here with me still I'm convinced You're hiding
Oh God would You remind me

*That You're still just as good as when I met You
You're still just as kind don't let me forget that
You're still the same God who led me through the fire
You're still the same God that separates the waters
Come do what only You can do God I need You*

You've done this before will You do it again
'Cause the waves are all around me
And it feels like I'm drowning
My God will You still reach down and give me Your hand
'Cause even when I'm doubting
You're love it still surrounds me

That You're still just as good as when I met You ...

And I will build an altar and stack it stone by stone
'Cause every Ebenezer says I've never been alone
My faith will surely falter but that don't change what You've done
'Cause every Ebenezer points to where my help comes from
(repeat)

You're still just as good as when I met You ...

I will build an altar and stack it stone by stone
'Cause every Ebenezer says I've never been alone
My faith will surely falter but that don't change what You've done
'Cause every Ebenezer points to where my help comes from
Oh every Ebenezer points to where my help comes from
