Though the nations rage kingdoms rise and fall
There is still one king reigning over all
So I will not fear for this truth remains
That my God is the Ancient of Days

None above Him none before Him
All of time in His hands
For His throne it shall remain and ever stand
All the power all the glory
I will trust in His name
For my God is the Ancient of Days

Though the dread of night overwhelms my soul
He is here with me I am not alone
O His love is sure and He knows my name
For my God is the Ancient of Days

None above Him none before Him …

Though I may not see what the future brings
I will watch and wait for the Saviour King
Then my joy complete standing face to face
In the presence of the Ancient of Days

None above Him none before Him …

Amazing grace how sweet the sound
That saved a wretch like me
I once was lost but now I'm found
Was blind but now I see

'Twas grace that taught my heart to fear
And grace my fears relieved
How precious did that grace appear
The hour I first believed

My chains are gone I've been set free
My God my Savior has ransomed me
And like a flood His mercy rains
Unending love amazing grace

Through many dangers toils and snares
I have already come
'Tis grace hath brought me safe thus far
And grace will lead me home

When we've been there ten thousand years
Bright shining as the sun
We've no less days to sing God's praise
Than when we'd first begun

My chains are gone ...
(Repeat)

There was a moment when the lights went out
When death had claimed its victory
The King of Love had given up His life
The darkest day in history

There on a cross they made for sinners
For every curse His blood atoned
One final breath and it was finished
But not the end we could have known

For when the earth began to shake
And the veil was torn
What sacrifice was made
As the heavens roared

All hail King Jesus
All hail the Lord of Heaven and earth
All hail King Jesus
All hail the Savior of the world

There was a moment when the sky lit up
A flash of light breaking through
When all was lost He crossed eternity
The King of life was on the move

For in a dark cold tomb
Where our Lord was laid
One miraculous breath
And we're forever changed

All hail King Jesus …

So let every knee come bow before the King of kings
Let every tongue confess that He is Lord
Lift up your shout let us join with all of Heaven
Singing holy we're singing holy
(Repeat)

… and we will cry out holy we're singing holy

All hail King Jesus …

I've been here before my heart feels so weak
Got this weight upon my chest and
I can't stop forgetting my God You've never left
You're right here with me still I'm convinced You're hiding
Oh God would You remind me

That You're still just as good as when I met You
You're still just as kind don't let me forget that
You're still the same God who led me through the fire
You're still the same God that separates the waters
Come do what only You can do God I need You

You've done this before will You do it again
'Cause the waves are all around me
And it feels like I'm drowning
My God will You still reach down and give me Your hand
'Cause even when I'm doubting
You're love it still surrounds me

That You're still just as good as when I met You …

And I will build an altar and stack it stone by stone
'Cause every Ebenezer says I've never been alone
My faith will surely falter but that don't change what You've done
'Cause every Ebenezer points to where my help comes from
(repeat)

You're still just as good as when I met You …

I will build an altar and stack it stone by stone
'Cause every Ebenezer says I've never been alone
My faith will surely falter but that don't change what You've done
'Cause every Ebenezer points to where my help comes from
Oh every Ebenezer points to where my help comes from

Oh You've come to bring peace to be Love
To be nearer to us
You've come to bring life to be Light
To shine brighter in us
Oh Emmanuel God with us

Our Deliverer You are Savior
In Your presence we find our strength
Over everything our Redemption
God with us
You are God with us

Oh You've come to be Hope to this world
For Your honor and name
And You've come to take sin to bear shame
And to conquer the grave
Oh Emmanuel God with us

Our Deliverer You are Savior …

You are here You are holy
We are standing in Your glory (Lord)
(repeat 3x)

Our Deliverer You are Savior …
