## About Wakeman

Centrally located in northern Ohio, Wakeman is 45 minutes from Cleveland, 30 minutes from Sandusky and 15 minutes from Lake Erie, recreational and cultural activities are within easy reach. There are several colleges within a short drive, giving access to many educational opportunities as well.

The town was founded in 1819 as part of the Firelands area, also referred to as the Western Reserve.

Wakeman is a small village on historic route 20 that runs from coast to coast. A farming community with a lot of history. Some have described Wakeman as friendly and warm, with an "I'll give you a hand attitude," it has a quiet rural flavor with lots of "real salt of the earth people" that care about each other, a nice little downtown and attractive countryside.

## OUR VISION

The vision of Wakeman Congregational Church is to be a center for the reverent worship of God and for the biblical instruction of believers and their children. (Acts 2:42), and a source of light and salt in the community (Matthew 5:13-16).

## OUR MISSION

The mission of Wakeman Congregational Church is to glorify God by making disciples in Wakeman and the surrounding area, calling them into a devoted fellowship of worshiping and maturing believers; teaching, learning, and growing together in obedience to Christ; investing in one another; and sending them out to be salt and light into the world, starting with Wakeman.

## OUR VALUES

**Scripture**-The Bible is the final and definitive revelation of God to man which teaches what man is to believe concerning God, and what duty God requires of man.

**Jesus Christ**-Jesus Christ is the Son of God whose life and ministry are unique and necessary to the salvation of man and thus our goal is to know Christ and to make Him known.

**Regeneration**-The new birth is necessary to membership in the body of Christ and to discipleship. We emphasize this truth in our worship, teaching, and ministries.

**Discipleship**-Becoming and making maturing followers of Jesus Christ is the chief duty of the church and of its members. We do this by introducing people to Christ and helping them to know Him, investing in them, and teaching them in word and deed.

**Family**-The family is of divine origin and foundational to making disciples so that the church supports and strengthens the family in its ministry to all ages.

**Fellowship**-Fellowship is a key element of Christian growth and to strengthening the church and to incorporating believers into the church.

**Community**-We love the community in which God has placed us and desire as a church community and as church members to seek the good of our community.

**Music and Arts**-Music and the Arts are gifts of God and signs of His blessing and we desire to use music and the arts to glorify God and benefit our community.

Since 1844, Wakeman Congregational Church has served this community in the heart of north central Ohio. We are a growing, independent, non-denominational evangelical church striving to become biblically directed in every aspect of ministry. For this reason, Wakeman Congregational Church left the United Church of Christ in 2014.
