5-ON-5

Bible Reading Plan [2021] through the Old Testament

5 minutes a day... or however long it takes you to read one chapter. Follow the plan and you will read almost a quarter of the Old Testament this year, and (every Friday) about one-fifth of the New Testament. Maybe use a journal or notebook to record thoughts and questions.

5 days a week. This overview of the Old Testament is designed for weekday readings, with weekends set aside for review and reflection (i.e., look over what you read and consider how the OT and NT chapters fit together, the big ideas, calls to action, and what you learned about God, his Christ, and his gospel of grace).
