Way Of Grace Church  
U.S.A.**

**Dear Pastor Bryce / Sis. Margy,**

**Warm greetings to you in the blessed name of Jesus Christ our Lord!**

**Very glad to know that your church is praying for us and the ministry at this end. Also thanks so much for the prayers generated as a result of which we are able to reach out to the gentiles during the summer ministries.**

**I will surely pray for God's wisdom and direction and also healing for the many sick people in your church and the Sunday school ministries which are growing. And also specially for the children as they begin their new academic year at their respective schools for their safety and protection.**

**Month of June and July has been very hectic with visiting of many villages such as RCP village, Nerella, Desaipally, Mallapuram, Lingareddypalli and Oggapuram villages visiting 230 homes with the gospel and also distributing 369 gospel tracts and 10 New Testaments and 6 Bibles. Around 95 people were personally reached with the gospel. The surrounding villages where I minister people are mostly into agricultural labourers and construction labourers. While on the visitings if I see any sick people I take them to some good hospitals for treatment. I am totally depending on God for all my needs. The believers here do not have any specific income and most of them bring their first fruits as offering to the church.**

**Pray for Lakshmi a widow survived by 2 children is coming from a Hindu family. She is a very poor lady earning her livelihood by going for labour work on construction sites. After hearing the gospel she is now attending the church**

and showing keen interest. Please pray for her salvation and also her children that they would know the true God Jesus Christ.

On the family front my wife Esther B.P. levels were going a bit high. Now they are under control with medicines. She has been a great help to me in the ministry serving the women taking women's meeting twice a month. Please pray for her good health. I am also suffering with diabetes keep me in your prayers for my health too.

My older son Samuel is blessed with 2 children. Girl is named Tabitha aged 7yrs. She is studying in 1<sup>st</sup> Grade at a private school. Son – Obed aged 3 years he attend a government pre-school in the village.

My younger son Samson who is married recently to Rebecca who is now on the family way. Keep them in your prayers for a healthy baby. Samson is assisting me in the ministry and we both go together for house visitings and thereby I am preparing him for the future ministry. Keep them in your prayers.

Pray for Martha the tailoring tutor who is unable to come and train the young girls in tailoring due to bad health. Please pray for her healing and also God willing to find a right tutor to train and impart skills in tailoring.

Thanks so much for your prayers. We had a good monsoon this year and we still need good rains. Please pray that in these end days God would bring a great revival in the church and many would come to know the true God and be added into His kingdom.

Thank you very much once again for your partnership, prayers, support and encouraging letters which enable me to move forward in this ministry. My family and the congregation join me in sending our greetings to each of you.

In His Service,

Ps. Daniel
