Growth Groups! [Questions to Get You Talking]

1. Take a few minutes to talk about what ideas stood out to you from Sunday's message, or what questions you might have after hearing it.
2. Have someone read Matthew 5:14-16. How might this passage be connected to "the glory of God" from I Corinthians 10:31? What does Jesus tell us here about what it means to "shine" as His followers? What kinds of things tempt us to hide the "light"?
3. As a group, talk about some very practical ways you can glorify God in your everyday life. What does it mean to "do all to the glory of God" in our relationships, work, finances, recreation, entertainment, parenting, school, etc.?

From Knowing to Showing

Take time to carefully consider who or what is being glorified by your words, actions, and attitudes in those times when you are not glorifying God. Talk to God about this and look for practical ways honor Him in those areas of struggle.

Pointers for Parents

The glory of God can be a pretty abstract concept for kids. Choose a toy or book or show your kids love and talk about all the reasons they love it. All those reasons give that item a kind of 'glory'. Help them think through all the reasons we should love and be in awe of God, and how seeking God's glory is far greater and forever.
