Way Of Grace Church

U.S.A

Dear Pastor and Church,

Warm greetings to you from Ps. Daniel in the name of Jesus Christ!

By the grace of God and your prayers me and my family, both my sons their families and the church congregation are doing fine. I thank each one of you for your fervent prayers and continued support which is enabling us to move forward in this ministry.

The past quarter God has wonderfully used me keeping me in good health and strength to serve Him each day giving me His abundant grace. I had the opportunity to share the gospel personally with 40 new people. The gospel tract in Telugu language titled “Life After Death” has been vastly used in saturating the surrounding villages handing out to nearly 200 people. 18 cottage prayer meetings were conducted weekly once during evenings. At this time not only the believers but new people are also attend and hear the gospel. By these cottage prayers nearly 75 new people were touched by the gospel.

Believers meetings for 3 days were successfully conducted at Jillela church with 325 believers attendance. These three days God has given us a good time strengthening the church believers and nurturing them with the word of God. We had good time of morning devotions followed by main message from a special speaker with fellowship meals being served to all the believers. It was such a joy to see the brethren dwelling together and fellowshiping together spending time in the presence of God. On the last concluding day evening we had one of our pastor presenting gospel through folk songs typically dressed with his troupe conveyed the gospel and it's transforming power. Many people were attracted towards this evening open meeting which caught the attention of everyone thus 800 people had the opportunity to hear the gospel. We thank you so very much for your kind prayers for us which mean so much to us. Every day it is a different challenge, but we are kept by every word which proceeds out of the mouth of the Lord and by your prayers.

Apart from this weekly meetings such as Women's meetings, Youth Meeting, Sunday Worship services and Sunday school are regularly conducted. Nearly 35-40 children attend the Sunday school. Monthly once HIV clinic is conducted for 20 patients who regularly receive medicines after thorough check-up.

This Christmas we are desiring to have a fellowship meal and a special program like Christmas carols, skits and Christmas dramas will be conducted at the church. Please pray for all the needs and the year end ministries.

At this I also suggest that you send the gift monies through cheque to Harvest Ministries so that we can purchase and give dresses for all the children for this Christmas on your behalf. Please find below our mailing address for you to send the Christmas cards.

Harvest Ministries, P.O. Box. 2119, Sec-bad -500 003. India.

Thanking you,

In His Service,

Pastor. Daniel
