# LEE UNIVERSITY

1120 N Ocoee St

Cleveland, TN 37320

Located in Cleveland, TN, just outside Chattanooga, Lee University has a campus that cannot be outdone. As soon as you walk onto campus, you get the feeling of the south. Historic brick buildings with towering white pillars and huge shade trees scatter the campus making you feel separated from the town. Although the recreation facilities are not to be out done by the beautiful landscaping; Lee University offers top of the line indoor and outdoor facilities. From the dorms, to large shade trees, no detail has been overlooked. Bring your group to this cozy campus to find activities, rest, and fun!

Moreover Lee University is nestled in the heart of southern Tennessee, where hospitality and good food collide to make the perfect spot to bring any youth group. Cleveland, TN offers great dining locations, a cozy shopping district downtown, and it's just minutes from the Ocoee river. Go ride the same rapids that Olympic kayakers practice on! We have been partnering with this venue for over 20 years.
