

Wildwood Christian Church Field Use Agreement

By signing below, you acknowledge that use of these facilities is at your own risk and that each member of your team and their legal guardian has been notified of this stipulation regarding field use, and as a result waive any claim against Wildwood Christian Church, their officers or staff for any injuries, accidents, illnesses or damages from the use of the facilities.

Field Use Requirements:

1. Abide by these assigned times. Do not start practicing before your time slot and be off the field by the time your time slot is over.
2. Oversee those who use the field to ensure they treat others with respect.
3. Do NOT use the field when wet. Playing on a wet field can cause significant damage and degrade the quality of the field for others. As field conditions can change rapidly, it is the responsibility of the coach to use good judgment.
4. Remove all trash from the field when finished.
5. Keep all vehicles off the field.

Please leave the field in a better condition than when you arrived and treat this field like it is your own.

WCC reserves the right to cancel this agreement for any reason. Also, WCC may preempt your use of the field for a church activity. In this case, reasonable notice will be provided.

This permission is contingent on you signing and dating this letter in the space provided and returning to WCC by July 1, 2020. If you do not respond by this date, your time slot may be reassigned. Please retain a copy of this letter for your records and either email or mail the signed original to my attention (Dan Cox)

I have read and will comply with the conditions stated above.
