Firearms Policy

July 19, 2023

The purpose of this policy is to create boundaries for WBCC to allow firearms on campus to protect the flock from potential danger.

The boundaries are as follows:

1. In accordance with [Texas Penal Code Section 46.13](#) no one shall make a firearm (loaded or unloaded) accessible to a child (a person younger than 17 years of age)
2. The person carrying the firearm must prevent access to the firearm by a child or anyone else by keeping the firearm on their person while on the premises of Wells Branch Community Church.
3. If someone sees a firearm unsecured, that person must report the situation to the elder board, deacon or staff member immediately.
