3. Word (to consider how the sermon applies to our lives, and to live out the "one anothers"):

Read together: The passage(s) shared in this past Sunday's sermon

Sermon Questions

1. What was the main focus of the sermon? How might you summarize it in your own words?
2. Share the point (idea/sentence) from the message that most hit home for you.
3. How might you live that truth out in your life this week?
4. What needs to change in your thinking or practice to apply this truth to your life?

Live out the 'one anothers': Pray for one another, plan times for fellowship as a group or with someone from your group, share with one another in meeting the practical needs you may have within your group.

4. Witness (joining Jesus in his mission):

The summer months, with their warmer weather and longer daylight hours, afford us opportunities to invite others to our home or on outings, to share life with our neighbours, and to have unhurried conversations with those outside of our church. Pray that you would have eyes to see the people that God puts in your path, for you to be salt and light for Him, and then to have the courage to steward those opportunities well, for His glory and the good of others.
