# Molech The Idol/Abortion Today

By Charles Foster

Title: Offering to Molech.

Date: 1897

Caption: This is an idol named Molech. A great many people used to pray to this idol. It had the head of a calf, and was made of brass, and it was hollow inside. There was a place in the side to make a fire in it. When it got very hot the wicked people used to put their little children in its arms. The little children were burned to death there. This man in the picture is just going to put a little child in the idol's arms. Other men are blowing on trumpets and beating on drums, and making a great noise, so that no one can hear the poor little child cry.

## **Abortion Today**

The ancient Canaanite ritual is alive and well--it's just packaged differently. High places and altars have been replaced by "wellness" clinics, namely abortion clinics, priests of Molech are our modern "doctors", and child sacrifice is performed under the guise of healthcare. Just as the Israelites and Pagans of the Old Testament were offering their children to demons (Deut. 32:17), our culture today is doing so as well. Instead of children being placed in the fiery arms of Molech, they are dismembered by the bloody hands of "doctors". Just as prosperity was the motivating factor for the Canaanites to sacrifice their children, it continues to motivate millions to kill their own children today.
