### CARE TEAM - CALL GUIDE

[Spend a moment in prayer for the person you are about to call. Ask God to give you favor, that you can be a vehicle He uses to bring love to someone else.]

#### Prompts:

*Hello! (Smile when you say hello) I’m \_\_\_\_\_, a part of the Care Team at House On the Rock. We wanted to call and see how you are doing. Do you have a few minutes to chat?*

[IF “No”, thank them for their time and assure them you are praying for their week.]

If Yes... [use an individual Care Sheet to log important information]

- *What are you **celebrating** this week? What can we thank Jesus for?*

[add reply to Care Sheet]

- *Are there any new **challenges** or difficulties we can bring to Jesus?*

[add reply to Care Sheet]

- *We could all use hope and hope comes in many forms. Part of calling is seeing if we can help meet any **physical needs** you, or someone you know, might have. Do you or someone you know need groceries dropped off or financial support?*

[if “yes” then note in **Follow-Up Needed** on Call Sheet]

- *Are you able to get to our **worship gatherings** in person?*

If No...You can also attend our live gatherings online. Would you like someone to contact you to help you learn how? ([www.whoishouseontherock.com](http://www.whoishouseontherock.com) click Watch Now. Live Sundays at 10:45)

[if “yes” then note in **Follow-Up Needed** on Call Sheet]

- *Is there anything else you would like us to know or something else I could help with?*

[if “yes” then note in **Follow-Up Needed/ other** on Call Sheet]

#### Closing

- Thank them for their time.
- Ask if you can read them a **Scripture Promise** (choose from Promise Sheet) and ask God’s blessing for them?
- Ask if you can call them again in a few weeks to see how they are? (Be sure to connect with them if you know them and see them in a worship gathering)
