January 2026

Dear Families,

It's that time again! Planning for the 2026-2027 school year is underway. For the upcoming year, we will maintain the following standards:

Teacher to student ratio

1. The classroom teacher to student ratio will be at 1:6 preferred and 1:7 max.
2. All classes will have two teachers team teaching.

This ratio allows for individualized attention and meaningful relationships. It also allows our teachers to truly know each child—their strengths, needs, and personalities—and to support them in a nurturing and responsive way.

Curriculum

1. Learning-center based
2. Age appropriate
3. Hands on experiences

Our learning centers are thoughtfully designed to support cognitive, social, emotional, and physical development while fostering curiosity and confidence.

Registration

1. Registrations are open for current students first.
2. Registrations will be open to the public beginning February 2, 2026.
3. Registrations are based on a first-come, first-serve basis.

Registration applications are going out this week for children currently in our preschool. We encourage you to take advantage of this early registration period to enroll your child.

The state requires all students to turn in a current immunization form #3231 or a religious exemption form. These forms must be turned in by September.

Thank you for being a valued part of our preschool family. We look forward to continuing this journey together and supporting your child as they learn, grow, and thrive.

With gratitude and blessings,

Winterville First Baptist Church Preschool

Signature Affirmation:

I understand that the Preschool Director and/or Preschool Committee reserves the right, upon examination of all credentials of a child, to decide whether our school meets the needs of the registrant. If the child, under the observation of teachers, and other qualified professionals, is having difficulty performing at an appropriate developmental age level, is having difficulty adjusting to school, or is disrupting the learning environment for other children, efforts will be made within the Winterville Preschool Program to resolve the situation for the optimal benefit for all parties involved. This may result in withdrawal from school if necessary. If there is information on the child's previous difficulties that were unknown or withheld from this application, and the problems become unmanageable, the child may not be allowed to return.

I affirm that the information submitted on this form is accurate.
