- 1- Everyone who says that the Gospel is nothing without the sanction of the Church, errs and blasphemes God.
 - 2- The summary of the Gospel is that our Lord Christ, true Son of God, has made known to us the will of his heavenly Father and has redeemed us from death and reconciled us with God by his guiltlessness.
 - 3- Therefore, Christ is the only way to salvation of all who were, are now, or shall be.
 - 4- Whoever seeks or points to another door, errs. Indeed, he is a murderer of the soul and a thief.
-
- 66- All clerical superiors are to humble themselves instantly and erect the cross of Christ only and not the money box. Otherwise they will perish; the axe is laid to the root of the tree.
 - 67- Should anyone want to discuss with me interest rates, tithes, unbaptized children or confirmation, I declare myself willing to respond.
