

Damaris Hope is a faith-based non-profit organization that ministers to women who work (or have worked) in the commercial sex industry and survivors of sex trafficking and exploitation. Although we are faith-based, there are absolutely no faith requirements to receive our services or attend any of our programs. We believe all women have dignity and deserve to live free of abuse and exploitation. Damaris Hope exists to provide a community of hope through outreach, one-on-one mentoring, support groups, and Bible studies.

As part of our outreach to the women we meet, Damaris Hope provides bags containing small gifts and ministry information. If you would like to donate items for these bags, here's a list of suggested items:
