Pastor: What do we believe and know about the Holy Spirit?

All: He is the third person of the Trinity. He is fully God, equal in power and glory, and so is worthy of our worship. He is the Lord and giver of life. As the very presence and power of God, he sustains all living things. Through him the scriptures were given, and by him we can understand God's words today. He is the power that raised Christ Jesus from the dead. He now enables those who are spiritually dead to receive the resurrection life of Christ, and he secures our eternal future with God. He is the sanctifying Agent of God. Through his life-long work we are able to crucify our sin and to be clothed with the righteousness of Jesus. He fills all believers with spiritual power and gifts that we might be unified as one Church and so advance God's kingdom in this world to its great and glorious fulfillment.
