Celebration Of The Lord's Supper

Confession Of Sin

All: Lord Jesus, because we have loved the darkness rather than the light, you had to step into the shadow of death and bear the full weight of our sin. Even knowing this, even having been given new life, we so often choose to abandon you and run toward our own ways. Forgive us. Light of the World, lead us back into communion with you and cause us to fully embrace the righteousness that you gave us at the cross.

Assurance Of Pardon (from Isaiah 53)

Pastor: Surely he has borne our infirmities and carried our sorrows.

All: Yet we account him stricken, struck down by God and afflicted.

Pastor: But he was wounded for our transgressions, crushed for our iniquities.

All: Upon him was the punishment that made us whole. And by his bruises we are healed.
